To all our faithful supporters of *A Place for Jazz*:

We have been lucky enough to be able to provide an incredible line-up of Jazzy offerings for just \$15.00 for longer than most of us can remember. In fact, it has been more than 15 years that we have been able to sustain this rate.

Due to rising operating costs associated with our professional sound, facility rentals, and our premium artists, we will now be raising our regular rate to \$20.00 per concert. Please refer to our [revised membership application](#) for details on our new membership benefits and levels.

We can guarantee that we will provide the same premiere performances that you are used to in the comfortable and relaxed community environment that you all love so much. We are a 501(c)(3) not-for-profit organization and it is our mission to present high quality musical offerings and to support the Jazz community at large in any way we can, be it scholarships to local Jazz students or stipends to other worthy Jazz organizations. Because of our non-profit status, any donation above and beyond the value of our regular season tickets is tax deductible. We think you can agree that *A Place for Jazz* is an asset to the Jazz community and we hope to continue to be so for many years to come!

Sincerely,
A Place for Jazz
