

Musical Tools for Schenectady Schools

**Do you have a musical instrument
in your house that is gathering dust?
Pull it out and dust it off.
That instrument could make a big
difference to a young person.**

**Please help one of our students by donating your
instrument to the Schenectady Schools music program.
You can help a child achieve his or her musical dreams
by donating your instrument today... a child will be
playing it tomorrow.**

**Tax deductible donations of instruments, music cases,
or music books may be made to Schenectady Friends of Music.**

**Drop off your instrument in Proctors Robb Alley on
Art Night Friday December 16,
when 60 Schenectady music
students will be performing,
or at the Proctors Box Office any time.**

**Or call Steve Weisse, President of Schenectady Friends
of Music at 518-346-4266 to make arrangements to have
your instrument picked up or for questions..**
